

## Small Skier Triggered Sluff, Beehive Basin

Beehive Basin  
Northern Madison  
3/21/2021  
Code  
L-AS-R1-D1-I  
Aspect  
SW  
Latitude  
45.34070  
Longitude  
-111.39100  
Notes

From email: "We both set off some small sluffing on the west side of the ridge between Middle and Beehive on our way out; the snow on that [aspect](#) was a lot thinner and more prone to sliding on the older icy crust under the new snow. Photos are from below where we skied out; we dropped onto the west-facing slopes maybe 100' south of the prayer flags."
